

SETTING UP APPLICATION ENVIRONMENT

DOCKER INSTALLATION

Date	1 Nov 2022
Team ID	PNT2022TMID18036
Project Name	Smart Fashion Recommender Application
Team Members:	Ramyadevi RS Samyuktha V Srija J Subiksha R

Step 1: Go the official Docker website:

<https://docs.docker.com/desktop/install/windows-install/>

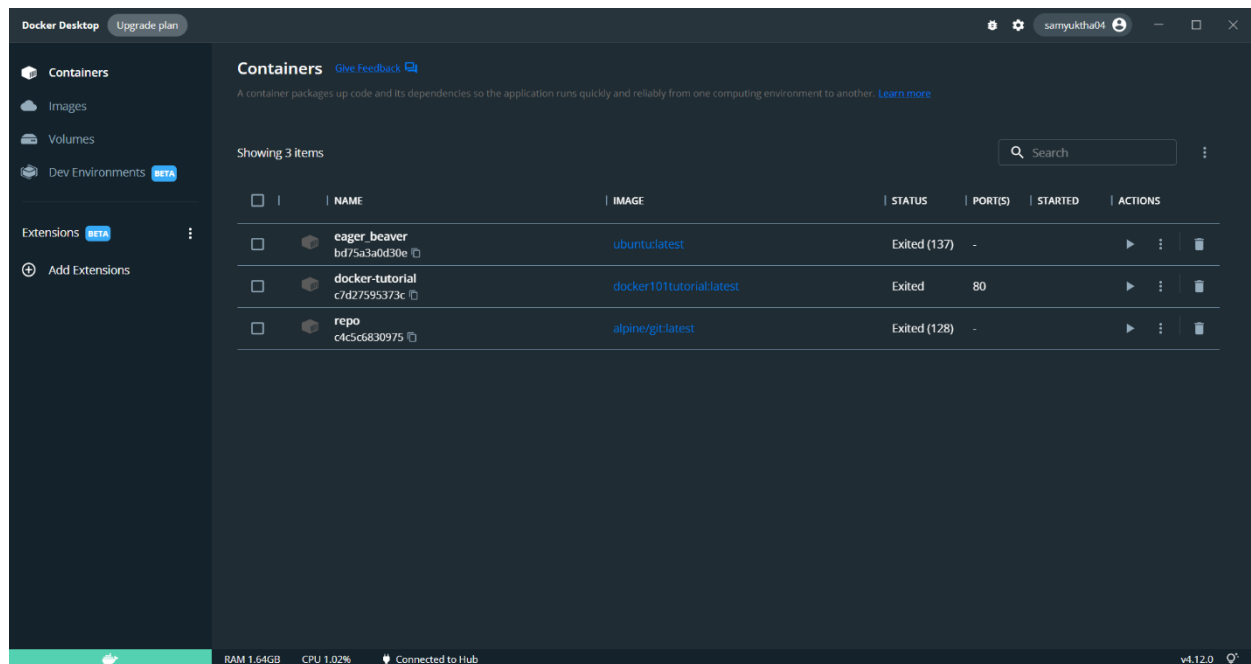

Step 2: Click on Docker Desktop for Windows and download will start and it takes few minutes to complete.

Step 3: Go to downloads in browser (or) type ctrl + J, it will navigate to download page and double-click the particular docker file.

Step 4: Now Installation is complete. This icon will be added in your desktop. Double-click the icon to start the docker app, you can register and login that app to access the credentials.

Step 5: Docker will open up, if the left bottom side is shown in green color, docker will show the status of docker app working successfully.

Step 6: Finally, the docker is installed successfully.
